

Round Top Picket

Vista's Round Top Picket Railing System provides a contemporary clean look - a popular choice for both single and multifamily residential buildings. By varying colours, picket styles and height, this system is flexible enough to enhance any architectural style.

Before using Vista Aluminum Railing Systems, please ensure areas to be drilled are free from utilities, services and hazards. Building codes may vary. Always comply with all applicable building codes. No member of Vista Railing Systems Group of Companies or the Dealer shall be liable for any loss or damage resulting from the improper installation or use of this product. If any member of Vista Railing Systems Group of Companies or the Dealer becomes liable for any loss or damage, the aggregate liability of Alco Ventures company shall be limited to the retail purchase price of that product.
